

# Bethany's Drive-by Living Nativity

Bethany will be hosting a Drive-by Living Nativity on Sunday, December 13 from 4-6pm. That means we will bring the story of Jesus' birth to life with characters playing the parts of the Holy Family, the Wise Men, and Shepherds. We have even arranged to have a farmer bring live animals for the display. A set is planned, music will be played, costumes will be provided, and small gifts distributed to guests as they drive by on Lemont Street. The Evangelism Committee sees this event as a Christmas gift to our community and an opportunity to tell the story of Jesus' birth.

In order to ensure the safety of all

- The event is completely outside.
- The Wise Men, Holy Family, and shepherds will be stationed 10 or more feet apart from each other. Members of the same family will be assigned a station together.
- Costumes will be distributed before the event so characters can arrive in costume. No shared dressing space; no shared costumes. Most costumes are large enough to have warm layers underneath.
- Drive-by guests will be asked to stay in their car at all times.
- If weather is below 20 degrees we will cancel the event.

Volunteer Roles

- We are looking for family members to participate together. Wise Men and the shepherds can be played by both men and women.
- Parents and children are welcome to participate together. Children will have to stay their area for the duration of their shift.
- If you will be volunteering on your own, the positions of greeter or traffic control would be your best fit.
- In the sign-up form, you can indicate your role preference, however, we may need to assign you and your family elsewhere.

Supplies Needed

To complete our set and costumes, we hope to borrow the following items from congregation members:

- 5 outdoor extension chords
- 6 flood lights
- Crowns for our kings

Please let Pr. Elaina know if you can lend us these supplies. We'd need items by Saturday, December 12 for set-up. Items can be picked up the following week.

**To volunteer, complete [this form](#) by Sunday, November 29.**
